MESSAGE

I am happy to learn that the Trinity Group is organising ***"19th edition of Agro + Organic World Expo co-located with 19th Edition Agro + F & B Pro Expo 2022"*** from 9 to 11 June, 2022 at Mumbai and from 4th to 6th August, 2022 at Goa.

Indian agriculture and food processing industries have made great progress under our government. I am given to understand that, a number of ingredients, agro-product companies and packaged food brands, along with those in allied industries like packaging, preservation, logistics etc. would highlight options available for the Indian/cultivator, besides those into distribution, dealership and retail business.

I am confident that this Expo will boost trade, supply, manufacturing and joint ventures, especially in the relevant fields of organics and biotechnology, besides contributing to India's food security, bettering the self-sustenance of the farmer and contributing to this vital sector of the Indian economy.

On this occasion, I congratulate the organisers and extend my warm wishes to the exhibitors, delegates and visitors of this Expo.

(Nitin Gadkari)
